R. N. MIRZA,
Superintendent.

MYSORE STATE RAILWAY.

LOCO. AND CARR. DEPARTMENT.

Notification dated 3rd March 1939.

Sealed tenders are invited for picking cinders and clinkers and for purchasing the same when offered by the Railway at the following stations of the Mysore State Railway from the date of approval of tender to 31st December 1939:—

Mysore Loco. Yard.
Shimoga Town Loco. Yard.
Birur Loco. Yard.
Tarikere Loco. Yard.

1. The contractor will pick up cinders in the respective stations, as per schedule noted below.
2. Separate stacks will be built—
   (i) for cinders 1″ and above in size;
   (ii) for sizes below 1″;
   (iii) for clinkers mixed with still smaller cinders.
3. The Railway will pay the contractor for picking and stacking cinders 1″ and above at places shown by the undersigned or his representative at 63 cubic feet per ton.
4. The rest of the picked and stacked cinders of small sizes and clinkers will be purchased by the contractor at 63 cubic ft. per ton and 1,000 cubic feet, respectively.
5. Separate stacks for clinkers mixed with small cinders will be built which will be sold to the contractor.
6. The refuse ashes should be spread over by the contractor at places shown by the undersigned or his representative.
7. Rate per ton to be quoted separately—
   (i) For picking and stacking 1″ and above cinders;
   (ii) For picking, stacking and purchasing cinders of sizes below 1″ not required by the Railway;
